

Heal Better. Play Better.

## Full Time Rehabilitation Technician in Seattle

SOUND Veterinary Rehabilitation Center is seeking a Licensed Veterinary Technician to join our team. We are a group of dedicated, passionate rehabilitation veterinarians, technicians, assistants and patient care coordinators that love our job! SOUND Veterinary Rehabilitation Center is a proud partner of Animal Surgical Clinic of Seattle, the only remaining specialty hospital in Seattle owned and operated by the doctors that work in the clinic every day. The culture of the practice is supportive and inclusive, recognizing and valuing the skills and dedication of our veterinary technicians and staff. We consider our employees our most valuable asset and work together to provide the highest quality of care to our patients and extraordinary service to our clients. We are proud of the difference we make in the lives of our patients and to be leaders in the field of veterinary rehabilitation and pain management.

The ideal candidate will have experience working in physical rehabilitation, neurology and/or surgery. All candidates must hold a current LVT license in Washington, or be licensed in another state and eligible in Washington. If not already certified in canine rehabilitation, the successful candidate will be eligible to have all expenses paid for certification in canine rehabilitation through the Canine Rehabilitation Institute.

Technicians work under the guidance of our rehabilitation veterinarians to design and implement rehab plans utilizing modalities such as underwater treadmill, land treadmill, e-stim, therapeutic laser, therapeutic ultrasound, PEMF and cryotherapy. We have a large gym for land exercises and a dedicated area for manual therapy. We also offer acupuncture and herbal medicine, advanced diagnostics such as musculoskeletal ultrasound and arthroscopy, and perform regenerative medicine including stem cell therapy, platelet-rich plasma, and shockwave therapy.

This is a full-time position that includes working 3-4 Saturdays/month (4-day work week).

Benefits package includes:

- Medical/Vision/Dental insurance
- Profit-sharing and 401K plan
- Paid vacation and holidays
- Generous Continuing Education benefits
- Uniforms with clinic logo(s)
- Wages are DOE and highly competitive
